## *Social Correspondence for Four Years*

DEAR MOTHER:

At last! I've completed my first real year at high school, and our class came through with flying colors. At the beginning of the year we organized the class. Shelley Beard was our president; Linda Taylor, our vice-president; Janice Owens, our secretary; and Jean Dail, our treasurer. Our big undertaking was a Freshman Dance, and it was so much fun.

Tomorrow, we graduate from Junior to Senior High and we're so excited. If all the years pass as quickly as this one has, we'll soon be seniors, but that's too far away to think about.

Timidly,  
NINTH GRADE

DEAR BILL:

It would be wonderful if you could be here tonight. The Sophomore Class is having the Coronation Ball. We're so thrilled 'cause it's the first formal dance we've ever had. We began decorating the auditorium a week before the dance and it looks just like a real Hawaiian Island.

Did I tell you who our class officers are? Bobby Brady is vice-president; Eugene Carter is secretary; Evelyn Lawrence is treasurer. They're really a fine group and our class has made loads of progress with Al Smith as president.

Happily,  
TENTH GRADE

DEAR POLLY:

You don't know what you missed! I'm so sorry that you couldn't get home for

the Junior-Senior. It was heavenly. The banquet was at the Woman's Club, and I'll never forget it.

Our class has really come into its own this year. We have as our class officers Al Smith, president; Chico Burton, vice-president; Alison Hearne, secretary; and Harriet Carr, treasurer. The other day our class rings came, and everyone is so proud of his.

Experienced,  
ELEVENTH GRADE.

DEAR MR. ROSE:

We've gotten to that "Commencement Corner" and, strange as it may seem, it's awfully hard to turn.

As you know, Al Smith has served our class as president for his third consecutive year and with him we elected Billy Williams, vice-president; Lucile Laughinghouse, secretary; and David Jones, treasurer, to lead our class during its final year at G. H. S.

The Senior Play, "Ever Since Eve," which we presented under the direction of Mrs. Goodman, was one of our most thrilling experiences, and our only hope is that everyone enjoyed it.

The annual has been our chief undertaking during the year. With Eugene Carter as editor-in-chief, we have done our best to make it a credit—not only to ourselves—but to the school.

Tonight, when we walk across the stage to receive our diplomas, we will experience a feeling of finality which we have never before known. There is little we can say, but may the courses of our individual lives speak for us, for you have molded us into what we are.

Sincerely,  
THE SENIOR CLASS

## *Poems by Seniors*

### WHEN NAUGHT IS FAIR

Pour down  
Oh, rain!  
Cleanse the ground again.  
Wash pure the hot paved roads;  
Send forth the song of long-limbed toads.  
Lightning, with snaky flashes;  
Thunder, with rolling clashes.  
The elements of the air speak to us,  
When naught is fair.

EMILIE DUPREE

### NATURE'S DELIGHT

In a bowl I have placed together  
Remnants of the woods and fields.  
Thus, during the long winter's dreariness  
I still wander with Mother Nature at my side.

LINDA TAYLOR

### THE HIGHWAY

The highway stretches out yonder,  
As far as the eye can see,  
Someday I wish I could wander,  
And see what I could see.

MARY ANNE KEEL

### A CONTRAST

The rolling, thundering waves mount high,  
Their dull gray colors match the sky,  
The wind is sharp,  
The spray is cold,  
The air is damp,  
The sea is bold.  
The sea is blue and lies serene,  
The white-caps like the crowns of queens,  
The wind is soft,  
The spray is balm,  
The air is clean,  
The sea is calm.

JANICE OWENS

### FOOTSTEPS

Where do they go  
These footsteps echoing hollowly through the  
corridors of a city's streets at night?  
To warn of some hidden danger?  
To keep a secret rendezvous?  
Or, perhaps, to take a father home to a warm,  
welcoming family!

JANICE OWENS

### PRAYER

Not for the broken bodies  
When war is over and done;  
Not for the sightless eyes  
That ne'er shall see the sun;  
Not for the broken homes  
That fill the ravaged land;  
But for the broken hearts,  
Dear Lord, we crave Your Hand.

LUCILE LAUGHINGHOUSE

## *Last Will and Testament*

### DEAR OLD GREENVILLE

Dear old Greenville,  
Loyally we stand united.  
Rough and ready,  
Fight the fight with all your might  
And win, Hey!  
Firm and steady,  
Eyes upon the ball always  
Onward to victory,  
Pride of future days.

Fight the fight,  
Green and white,  
Onward we're pushing to win the  
goal.  
Then here goes, on your toes,  
Let them know that we're death—  
on foes.  
Rah! Rah!  
Rah! Rah! Rah!

H. A. McDUGAL

### WE ARE THE SONS

We are the sons of old G. H. S.  
Of all the others we are the best.  
Send the Phantoms out to win.  
The fans will cheer them through thick and thin.  
Come on Greenies, get out and fight,  
Win that game for old Green and White.  
We are always there with you  
As you go to victory!

## Activity Snapshots

## Quill And Scroll Is Re-Established After Six Years

### SIX HONORED

After being inactive for approximately six years, the local chapter of the Quill and Scroll, the International Society for High School Journalists, has been re-established in Greenville High School.

Having eighty thousand members in all parts of the world, Quill and Scroll functions to recognize and reward individual staff members for their "particular talent and ability." A high school journalist can become a member only if he meets exacting requirements ranging from journalistic and creative ability to certain scholastic standards.

Shelley Beard, editor; Bettie Anne Young and R. W. Tyson, co-editors; Sam Northrop, sports editor; Howard Proctor, advertising manager; Frances Bendall, assignment editor; and Mrs. Clem Utley, advisor are the GREEN LIGHTS' staff members who comprise the new local chapter of the Quill and Scroll. A formal initiation ceremony, to be given in a senior high assembly, is being planned.

The Quill and Scroll is a non-profit organization, which strives to raise the quality of high school journalism by promoting research and contests and acting as a medium for the exchange of new trade methods and qualified opinions.

The main objectives of the local chapters are to attract students of higher ability to publication work, further develop the journalism departments, and gain greater acknowledgment of high school journalism from the students, school officials, and communities.

## Six Honored By Scroll Membership

Frances Bendall, Shelley Beard, Sam Northrop, Howard Proctor, Ruel Tyson and Bettie Anne Young are the members recently taken into the Quill and Scroll, a national journalistic honor society.

## Year Book Press Date Set For First Of Next Month

### JR. SR. THEME SELECTED

Selection of a theme for the annual Junior-Senior was the main topic discussed at a class meeting held January 16.

Vice-president Walter Wilson presided in place of the President Carl Denton, who was incapacitated by illness.

Seven themes were presented by several members of the junior class. These themes were discussed at length by the assembly.

The junior class voted on the themes Monday, January 19.

In an attempt to prevent the usual belated arrival of the annual, the '48 yearbook staff plans to have the copy ready to "go to press" Feb. 1.

With the cooperation of each member of the senior class, much work has already been accomplished. All group and individual pictures have been taken with the exception of a few that have been retaken. Prints of these pictures will be sold to anyone who wishes to buy them.

The most important innovation in the '48 annual will be the individual pictures taken of junior high students. Heretofore the seventh and eighth grades have appeared in group pictures.

### Prices Set

Each annual will sell for \$2.50, with ads priced at \$40 a page, and pages for organizations at \$20 each. It has been estimated by editor-in-chief Eugene Carter that approximately 300 annuals will be sold.

To present an attractive appearance, a green and white padded cover has been chosen. Each annual will contain 86 pages.

## School Generous In Dimes Contest

Greenville High School, the first organization to initiate the March of Dimes Drive for Greenville, collected \$189.09 which is \$39.00 more than last year. Homeroom 24 and 11 received the reward of a half day holiday for collecting \$41.00 and \$37.55 respectively.

"I am very proud of responses of GHS for the March of Dimes Drive. The city and county chairmen appreciate the money which was contributed," states Mr. Dowd.

## Copping Two Top Honors, Youngsville High Orators Dominate Speech Contest

### Slocum To Lead All State Band

With Professor Earl Slocum of the University of North Carolina, as guest director, the Eastern division of the All State band will be held here February 14 at East Carolina Teacher's College.

There will be twenty-two eastern schools represented at the contest. The main purpose of this year's contest is to determine who will be eligible to participate in the All State Band this spring in Greensboro. When asked what he thought about the All-State Band, Mr. E. B. McDowell replied, "I think it is one of the finest things a band member can participate in."

### Forensic League And Lions Co-sponsor Contest

### BILBRO SPEAKS

### Brooks And Clement Place Fifth For Greenville

Dominating a field of thirty-nine contestants, Wiley Mitchell, Jr., and Douglas Wynne, representing Youngsville High School, captured first place in the Open and Novice Divisions in the Eastern North Carolina Original Oratorical Contest last evening in the GHS library. This scholastic speaking tournament, the largest since its inception, was sponsored cooperatively by the Greenville Lions Club and the local chapter of the National Forensic League.

Frederick Brooks and Barbara Clement Greenville's only winners, placed fifth in the Open and Novice Divisions, respectively. Brooks spoke on world government and Clement gave a speech entitled "Bloody Footprints In the Sand of Time."

### LARGE ATTENDANCE

Approximately a hundred people heard thirty-nine entrants from nine Eastern Carolina schools compete in the contest. Bettie Anne Young, contest chairman, opened the event by calling on Fred Brooks, NFL president, to extend welcome to the contestants and audience. Mr. R. B. Starling, advisor of the NFL and general contest director, gave an explanation of the rules and the history of the oratorical contest.

GHS entrants were Fred Brooks, Alfred Sauced, Louise Batson, and Rodney Fulcher in the Open Division and Bobby Broadshaw, Barbara Clement, Augusta Overton, and Ray Sears in the Novice Division.

Awards Presented  
Mr. Tyson Bilbro, Greenville Lions Club president, awarded thirty dollars in prizes to the ten winners with two first place winners receiving five dollars apiece. Proceeding the awards presentations, Mr. Bilbro made a short talk commending the speakers on the interest and enthusiasm they had shown in the contest. The program was closed with a social session at which time Mr. Starling awarded several NFL certificates and degrees.

## Fulcher Drops A Rugged Pin

by Rodney Fulcher

"It's so quiet you could hear a pin drop." If it did drop, would you be certain it was a pin? Of course that would depend upon its striking the floor. When it did strike, the pitch, intensity, and quality would determine whether or not you heard a pin drop. Oh well, such is life, that is life in Mr. Robinson's science classes. Now take algebra, that's an interesting subject. You find the difference, but don't subtract. At times you find the difference and add. In algebra you combine the Hindu-Arabic numbers with the alphabet, carry out a given procedure and behold, you get a correct answer, that is if you spend enough time on it. You see it's not really hard, just difficult.

### BOOKMARKS DISPLAYED

The library has on display now "Book Marks We Have Met." Mrs. Farley has a chart with the bookmarks she has found clipped to it. Included in the markers are hairnets, belts buckles, soap, rayon blocks, nails, screws, playing cards, tooth picks, pictures, excuse slips, and tardy slips. Mrs. Farley also stated: "And many other things which we are too modest to display."

### Miss Vivian Burton

Filling the vacated position in the English department Miss Burton comes to us from Mercer University in Georgia.

## Two New Projects Undertaken By Council For Coming Year

### Work Is Started On Annual Dance

Preparing for the annual spectacle of color and music which has characterized past Coronation Balls, the Sophomore class has begun work on this year's celebration under the direction of class president Jimmy Brady, Bobby Williams, Tommie Lumpp, Ray Sears and Mrs. Picklesimer, class advisor.

The music will be presented by the sixteen piece college band, under the direction of Professor Carter.

The main committees are headed by Dan Reid, Bobby Williams, Ray Sears, Carolyn Hines, Bobby Flye, Peggy Barrow, Margaret May, Ann Ray Waters, and Louise Briley.

Starting the new year with a bustle of new activities, the Student Cooperative Association has formulated plans for the publication of a student handbook and has instituted a program designed to incite better school citizenship.

With the primary objective of orientating new students, the new student handbook will contain information concerning all GHS clubs, athletics, curriculum, SCA, musical organizations, traffic rules and the school in general. Handbook co-editors, Walter Wilson and Sam Northrop, are already gathering material and making publication plans. In order to emphasize more individual school pride the council has inaugurated a citizenship campaign. A Citizen-of-the-Month will be selected from junior and senior high as an incentive towards achieving this goal.

## Burton's Influence Apparent In Improved Speech

A vivid personality and a well-modulated, expressive voice are features which characterize Miss Vivian Burton, eleventh and twelfth grade English teacher.

Although she has been in GHS only a few months, the influence of her teaching is already noticed in the improved speech of many high school students. This fact is largely due to the requirement of a well-prepared talk given by each pupil within the duration of each marking period.

When asked why she thought speech should be interwoven with English, Miss Burton responded quickly, "Speech education should be on a high school level because it is a functional part of training in all

fields."

Miss Burton graduated from Georgia State Teachers College and later received her A.B. degree from the University of Georgia, her M.A. from Northwestern, and her Bachelor of Library Interpretation degree from Emerson College of Oratory. Also she has done work in play production at the University of North Carolina. Before coming to Greenville she taught at Mercer University and Greensboro College.

### Did Various War Work

As anyone in her English class knows, Miss Burton's conversation is made highly entertaining by her broad general knowledge. One factor contributing to this wide scope of knowledge is her varied experience

in different types of work. During the war days when everyone was urged to do his bit, Miss Burton did clerical work in the Treasury Department and also worked in a fuse plant. Her most interesting enterprise, however, was work in Boston directing a civic pageant at which 50,000 people were present.

Outside of her school interests, which consist of three classes of 11th grade English and two 12th grade classes, Miss Burton's main interest lies in the building of a summer home on the farm of a former pupil and his wife.

To the teacher of varied and intellectual interests, the quality of greatest importance in a good pupil is sincerity. Says Miss Burton, "Sincerity just about sums it all up."

## Journalists To Embark For Big City In March

Twelve members of the high school journalism class are making plans for their trip to New York in March to attend the annual Columbia Scholastic Press Convention.

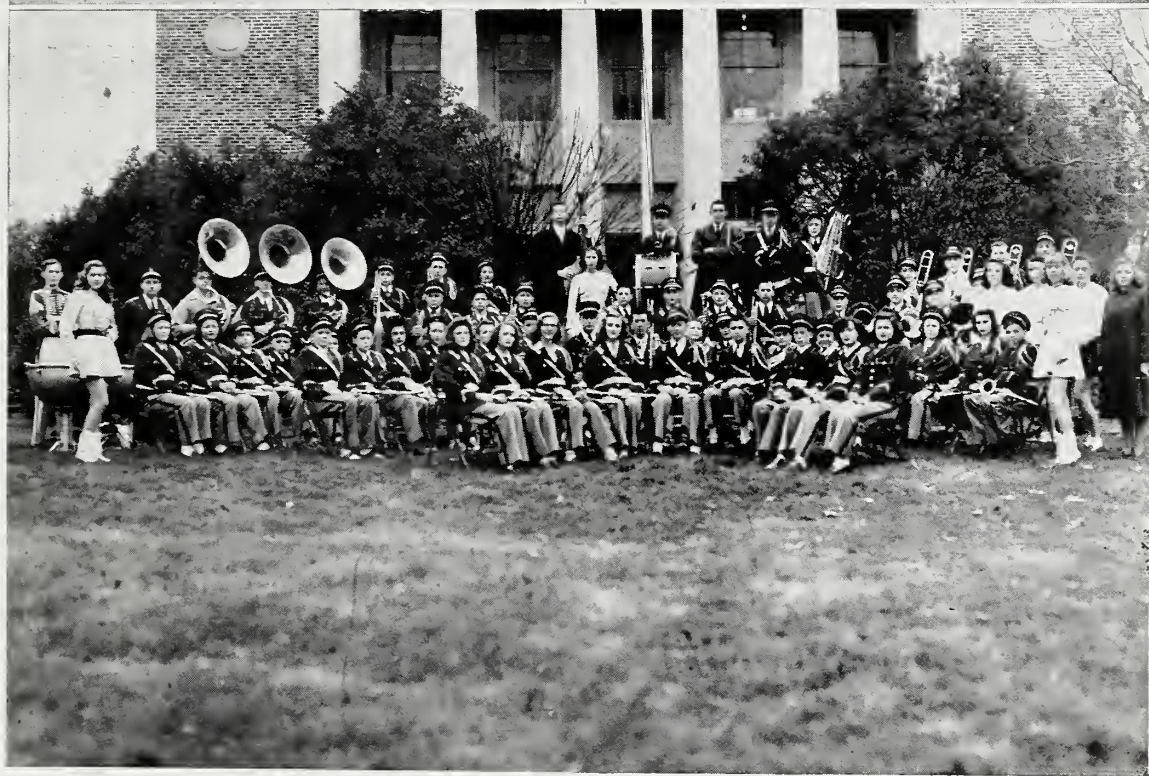

Students going are Bettie Anne Young, R. W. Tyson, Alf Collins, Jimmy Brady, Ann Sutton, Howard Proctor, Sam Northrop, Martha McKenzie, James Ward, and Elvin Ray Jones.

GREEN LIGHTS' critical rating will be posted at this meeting. The delegates will have an opportunity to attend a number of meetings and lectures on various phases of journalism.

This will be the third year since the beginning of the war that GHS has sent delegates to the CSPS convention. The paper received the highest first class rating given last year.

We have watched you since you started in the first  
grade, and we are indeed mighty proud of your past  
records and achievements.

During our 82 continuous years of service in Green-  
ville and the vicinity, we have done business with your  
mothers and fathers, grandmothers and grandfathers.

Now the time has come when we look forward with  
great pleasure to doing business with you.

Kathy Sue,  
you cute, sweet, pretty little angel. And  
I mean Angel. Don't ever change. Don't become  
like most of these dames. I loved you in  
K.S. You were really a moral support to me.  
I think you're really the sweetest & cutest  
girl in high school. Well, in the sophomore  
class. No flattery either. This may  
sound corny coming from someone like me,  
but you're a symbol to me. A symbol of  
purity & innocence. Never let anyone or anything mar  
that. I love you & others.
